We supply consistently high-quality photography to ensure that print and electronic projects are supported with strong images that enhance your message. Emory Photo/Video supports the University’s broad range of activities by helping to communicate within and outside the University through a variety of photographic styles. We also offer high resolution image scanning and manipulation, traditional and FTP image file access, as well as a beguiling collection of standard and fine-art prints.

Our staff consists of national, award-winning photographers who have 44 years of institutional knowledge. We offer friendly, professional service for all your photographic needs. Whether you are in the market for portrait, coverage of your important events, sports action, editorial work for your alumni publication, or a photojournalistic approach to coverage of your featured subject or program, we are your on-campus resource.

Please see our competitive rates, peruse our photography gallery at www.photo.emory.edu, and contact us to schedule your next photo assignment.
